

Delirious: Danny Saucedo

I'm dreaming in stereo
Sleeping with the lights on
Switching to hyper-mode
Real mightily and slow
Speaking in tremble low
Watching the horizon
Shifting from **indigo**
To silver and gold

Smiling to everyone
Bumping into strangers
Passing the morning crowd
Thinking out loud
How did I get here
When's it gonna happen
What's the **scenario**
Where do I go

Happy stories are only half the truth
But I know it's better than I ever knew
Before you

It's how you got me now
Delirious x3
I'm ten feet of the ground
Delirious x2
Never coming down

I'm starting to crack the code
Swimming in your colours
Checking my telephone
Every second or so
Playing D'angelo
Waking up the neighbours
Singing them love songs
Singing them wrong

It's something beautiful and something new
These **transitions** that I'm going through
With you

It's how you got me now
Delirious x3
I'm teen feet of the ground
Delirious x6

I sore to once your atmosphere
I'm flying in a state of grace
Baby I'm halfway there
My state of mind
My point of view
My inner sights are pointing to
You

Oh yeah (how you got me now)
Delirious x3
I'm teen feet of the ground
Delirious x2

I'm dreaming in stereo
Sleeping with the lights on

Vocabulary

1. **scenario** (noun): A written outline of a film, novel, or stage work giving details of the plot and individual scenes.
2. **delirious** (adjective): In a state of wild excitement or ecstasy.
3. **transition** (noun): A situation where something is changing from one state to another.
4. **indigo** (noun): A color between dark blue and purple.
