

Everything Is Sound-Jason Mraz

When there is love, I can't wait to talk about it	Set your vibration and undulation to the highest it
When things get rough , I like to walk with you	can go
Or when it's night, I like to be the light that's missing	And trust me, hear me
And remind you every minute of the future isn't	If it makes you wanna sing
written	Just sing it
Not yet	
	La la la la
When there is love, or when the heart feels heavy	Let's all sing
We can lighten it up , if you've had enough	La la la la
Well you can empty your glass and we can fill it back	Layin' it down
up	Everything is sound
You know it's up to us to make it all up	La la la la
So what you making up ? I can make it up back	Let's all sing
You could be loved no matter what	La la la la
And know the only time is right now, it's right well	Hallelujah
where you are	
You don't need a vacation when there's nothing to	It's a song that I've forgotten often
escape from	It doesn't make me wrong
	Cause we all need the darkness, to see the light
Singing	In our own eyes, come on, and sing it
La la la la	
Let's all sing	La la la la
La la la la	Let's all sing
Layin' it down	La la la la
Everything is sound	Layin' it down
	Everything is sound
Let's sing to be happy, to feel things, to communicate,	La la la la
and be heard	Let's all sing
Or sing out to protest, and to project, and to	La la la la
harmonize with birds	Hallelujah
	We're connected now
Whether it's your birthday, or your dying day	La la la la
It's a celebration too	Let's all sing
Rejoice to use your voice, and give wings to any	Hallelujah
your choice	Everything is sound
Whatever you're choosing right now, it's right where	La la la
where you are	Let's all sing
You don't need a vacation when there's nothing to	La la la la
escape from	Hallelujah
	We're connected now
