

## I Knew You Were Trouble: Taylor Swift

I Knew You Were Trouble

Once upon a time, a few mistakes ago  
I was in your sights, you got me alone  
You found me, you found me, you found  
me  
I guess you didn't care, and I guess I liked  
that

And when I fell hard, you took a step back  
Without me, without me, without me  
And he's long gone when he's next to me  
And I realize the blame is on me

Cause I knew you were trouble when you  
walked in  
So shame on me now  
I flew me to places I'd never been  
Till you put me down

Oh I knew you were trouble when you  
walked in  
So shame on me now  
I flew me to places I'd never been  
Now I'm lying on the cold, hard ground

Oh, oh, trouble, trouble, trouble  
Oh, oh, trouble, trouble, trouble

No apologies, he'll never see you cry  
Pretends he doesn't know that he's the  
reason why  
So shame on me now  
I flew me to places I'd never been  
Till you put me down

Now I'm lying on the cold, hard ground  
Oh, oh, trouble, trouble, trouble

You're drowning, you're drowning, you're  
drowning  
And I heard you moved on from whispers  
on the street

A new notch in your belt is all I'll ever be  
And now I see, now I see, now I see  
He was long gone when he met me  
And I realize the joke is on me

Hey I knew you were trouble when you  
walked in  
So shame on me now  
I flew me to places I'd never been  
Till you put me down

Oh I knew you were trouble when you  
walked in  
So shame on me now  
Flew me to places I'd never been  
Now I'm lying on the cold, hard ground

Oh, oh, trouble, trouble, trouble  
Oh, oh, trouble, trouble, trouble

And the saddest fear comes creeping in  
That you never loved me, or her, or anyone,  
or anything

I knew you were trouble when you walked  
in  
Oh I knew you were trouble when you  
walked in  
So shame on me now  
I flew me to places I'd never been  
Oh, oh, trouble, trouble, trouble

I knew you were trouble when you walked  
in  
Trouble, trouble, trouble

I knew you were trouble when you walked  
in  
Trouble, trouble, trouble
