

# Let's Practice Presentations!

---

Today you will give a short presentation to the class about a new invention. Your group will be given an object and you need to:

- (1) imagine a use for this object
- (2) try to sell the object to the class.

When you give your presentation you should use the format below:

**Introduction** (15-30 seconds)

-You should begin your presentation in an interesting way to catch the audience's attention

**Body of Presentation** (1-2 minutes)

- Explain your product
- List 3-5 reasons why someone should buy it

**Conclusion** (15-30 seconds)

-You should end your presentation with a brief summary and a strong concluding statement.
