

Making Love Out Of Nothing At All

I know just how to **whisper**
And I know just how to cry
I know just where to find the answers
And I know just how to lie
I know just how to fake it
And I know just how to **scheme**
I know just when to face the truth
And then I know just when to dream

And I know just where to touch you
And I know just what to prove
I know when to pull you closer
And I know when to let you loose

And I know the night is fading
And I know the time's gonna fly
And I'm never gonna tell you everything I've gotta tell you
But I know I've gotta give it a try
And I know the roads to riches
And I know the ways to fame
I know all the rules and then I know how to break'em
And I always know the name of the game

But I don't know how to leave you
And I'll never let you fall
And I don't know how you do it
Making love out of nothing at all(X7)

Everytime I see you all the **rays** of the sun
Are streaming through the waves in your hair
And every star in the sky
Is taking aim at your eyes like a spotlight
The beating of my heart is a drum and it's lost
And it's looking for a **rhythm** like you
You can take the darkness at the **pit** of the night
And turn into a **beacon** burning endlessly bright
I've gotta follow it 'cause everything I know

Well, it's nothing 'till I give it to you
I can make the runner stumble
I can make the final block
And I can make every **tackle** at the sound of the whistle
I can make all the stadiums rock
Or I can make it disappear by the dawn
I can make you every promise that has ever been made
And I can make all your **demons** be gone

But I'm never gonna make it without you
Do you really wanna see me crawl
And I'm never gonna make it like you do
