

Oral English: Assignment 1

For this assignment you will write a blog post that will be posted on my blog.

What do you need to do?

- Choose a topic to write about. You can write about anything in your post, but it must be 'school friendly' (no explicit content)
- Write 200-300 words about your topic. You must use your own words; if you plagiarize (copy) you will automatically get 0% on this assignment.
- Write 3-5 questions to help start the discussion in the comments.
- If you want to include a picture in your blog post please reference it correctly.
- If you want to include a YouTube video in your blog post please include the 'YouTube' link (URL) in your Word document.

How do you put your blog post on the blog?

- Email me your blog post as a Word document (Send to: ndhu_crystal@hotmail.com). Do not send any emails to my NDHU email account.
- **You must email me your blog post on the Friday before your blog week.** For example, if you sign up to do your blog post in week 5 you must send me your Word document on the Friday of week 4.
- The title of your email must be in the format: **BLOG POST_OEM_Your Student Number** or **BLOG POST_OEA_Your Student Number** (OEM = morning class; OEA = afternoon class)

This assignment is worth 10% of your final grade

(Note: All posts on the blog are anonymous; I will not put your name anywhere on the blog post).

Happy Blog Writing! ☺
