

Speech and Debate Assignment #2

For this assignment you will follow the instructions on page 46 of your textbook. You may use a debate topic on page 46 or a debate topic you are interested in – but your topic must be approved by the instructor.

- Your assignment must be typed.
- Give 3 reasons and 2 pieces of evidence for each side of your debate topic.
- You **may not** use Wikipedia as a reference in this assignment. You can use Wikipedia to help you find sources, but you cannot use it as a reference.
- You must use at least one type of each source listed in the box below.
- You may only use each reference once. For example, you cannot use 'The Taipei Times' for every piece of evidence!

Referencing Format
